Arriving by train

Get off at the main station ("**Hamburg Hbf**") and walk for about 10 to 12 minutes via Spitaler Straße and Mönckebergstraße to the Chamber of Commerce. Or you take the subway S1 or S3 from "**Hamburg Hbf**" and get off at "**Stadthausbrücke**" (from there it is a 5-7 minutes walk). Or you take the subway U3 to the stop "**Rathaus**" (from there 2 minutes walk).

Arriving by plane

You land at Hamburg Airport in the district of Fuhlsbüttel and take the subway S1 in the direction of „Wedel“. You either go directly and without changing trains to "**Stadthausbrücke**" (and then 5-7 minutes walk). Or you change to the subway U3 in „Barmbek“ and get off at the stop "**Rathaus**" (2 minutes walk).

Arriving by car

If you are travelling by car, there are several underground car parks (with charging stations) near the Chamber of Commerce, for example in the [Bucerius Passage](#) (Alter Wall 20-22, 20457 Hamburg, 2 minutes' walk) or in the [Europa Passage](#) (Hermannstraße 11, 20095 Hamburg, 5 minutes' walk). As the Chamber of Commerce is located in the city centre we recommend using the underground and suburban trains as well as the buses of the [Hamburg public transport system \(HVV\)](#).

We wish you a smooth and safe arrival!
